

FY 2010 Enforcing Underage Drinking Laws Service and Collaboration Program:

The District of Columbia Justice Grants Administration announces funds targeted at reducing the sale/purchase and consumption of alcoholic beverages by minors, and to mitigate the negative consequences of this consumption. To accomplish this goal, JGA has partnered with APRA to provide funding, coordination, and technical assistance to support a diverse array of policy, prevention interventions, compliance/enforcement, and data improvement activities around underage drinking, with a particular focus on high-need communities and at-risk youth populations. Applicants must propose activities for funding in one or more of these program areas, and will be required to participate in the DC EUDL Community Prevention Network, which is designed to improve coordination and collaboration around the prevention of underage drinking in the District.

Eligibility: Community-based organizations and District and Federal agencies that have the demonstrated abilities to meet the funding priorities, outputs, outcomes, and required activities identified in the Request for Applications (RFA), and who are able to commit to complying with all JGA financial, administrative, and programmatic regulations and expectations.

Deadline: 5:00 p.m. on Friday, **May 22, 2009**.

Funds: \$1,300,000 is available to fund multiple awards.
